Through His Love

His Hands celebrated 25-years of meeting the physical, emotional and spiritual needs of our community in 2017 and I was reminded of God's love at every turn.

Patients' physical needs were treated with respect and they received prayer that filled their souls with hope. Volunteers were filled with God's grace and you made it possible for our mission to be met each day.

You helped us celebrate our 25th Anniversary at our 4th Annual Praise on the River and 3rd Annual Laughter is the Best Medicine with friends and neighbors. An endowment fund was established at the Greater Cedar Rapids Community

Foundation — planning for the next 25-years of service to the community.

None of this would have been possible without your support. Your gifts have planted a solid foundation for the future of His Hands. In 2018, we look forward to seeing God guide us through a renovation of our space and our new diabetes clinic made possible by a grant from CVS and the Greater Cedar Rapids Community Foundation.

In our 25-years, the lives of more than 10,000 patients and their families have been improved through your hands and His love. Thank you for making our community a healthier place.

God Bless,

His Hands Staff

Build Hope

With Him

Stacey spends her days working at the Catholic Worker House. Helping those without a bed to sleep in, or food to eat, to find hope again. She knows exactly how it feels to be homeless.

Not too long ago, Stacey went through one of the hardest times in her life. Broke and jobless, she lost her apartment and spent several months sleeping in her car.

Through the generosity of those that support His Hands Free Clinic, we were able to help Stacey get back on her feet by providing her with needed medical care and assistance with medications. But, in reality, medical care is only a small piece of what His Hands has been able to do for Stacey. The offering of prayer

each time she comes to the clinic has helped her to feel surrounded by his His love.

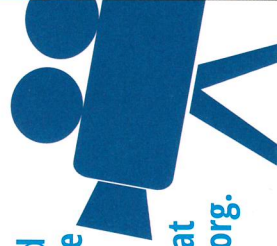

"It brings tears to my eyes. You can feel the faith in that person, that God is going to give them the wisdom to make you better — you feel like you are going to get well finally," Stacey said.

Medical care is important. We are thankful that His Hands is able to be there for those that need us. It is so much bigger than physical health. The spiritual health that individuals like Stacey receive when they walk through our doors provides the strength to move forward.

Watch!

Stacey was kind enough to share her story with us on camera.

View her story at HisHandsClinic.org.

"You can just be walking down the street having a bad day and walk in the door and say, 'I need prayer.' I feel like this is my home."
— Stacey, patient

His Hands in 2017

in Faith

A native of Rwanda, Grace came to Cedar Rapids in 2011 to attend college. The former beauty queen was awarded a scholarship through a pageant and looked forward to a better life and future for herself.

While in college, Grace became pregnant. She lost her scholarship and faced the decision to stay in the United States or return to her native country. Although she had nothing and no family in Iowa at the time, she made the decision on faith to stay here.

Grace shared that having her son, who is now in kindergarten, was the beginning of her faith journey. She was blessed to have two local families come into her life and have become her family and

grandparents to her son.

Grace said, "I trusted God when I had nothing. Through Him anything is possible."

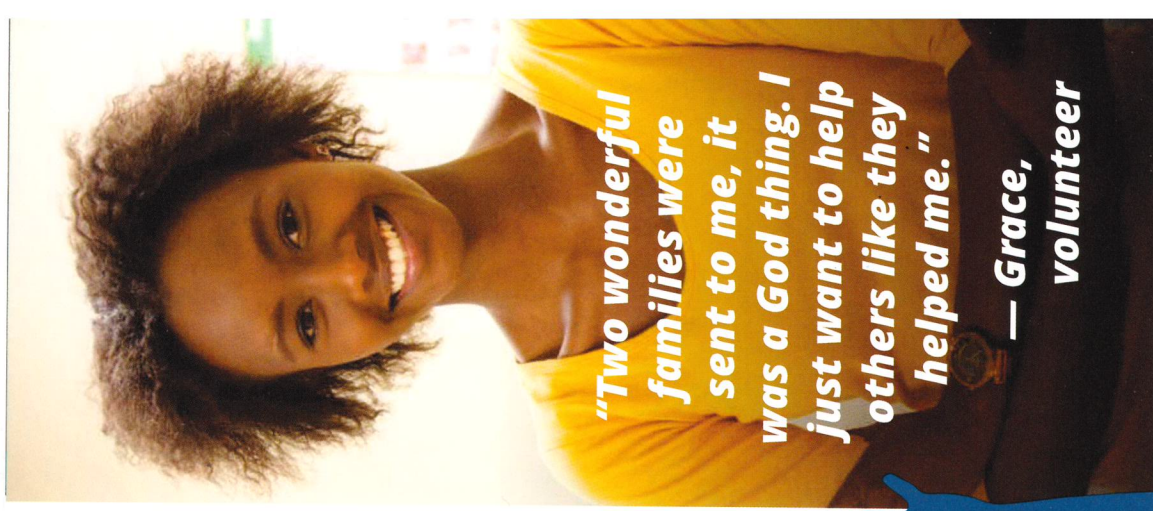

After her son was born, she found purpose in giving back to the community that has given her so much and provided hope for the future. She does this by serving at His Hands through volunteering at the front desk and as a dental assistant in the clinic.

She is attending college to become a dentist and looks forward to continuing to pay it back by caring for others in their time of need.

Volunteer!

For as little as a three
hour commitment per
month, you could
make a difference.

Learn how at
HisHandsClinic.org.

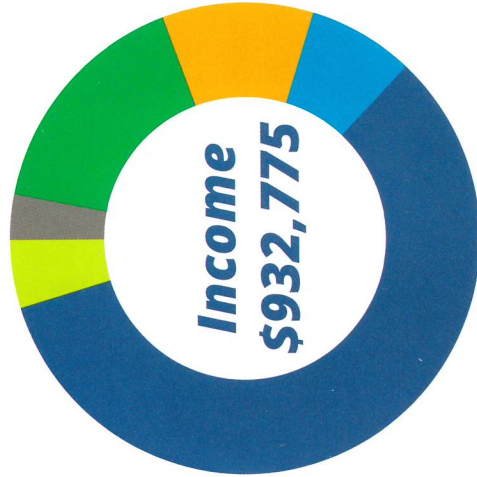

*"Two wonderful
families were
sent to me, it
was a God thing. I
just want to help
others like they
helped me."*

— Grace,
volunteer

Tim and Pam Brustkern were the first donors to our endowment at the Greater Cedar Rapids Community Foundation. They support His Hands because they want to be a part of helping God to make a difference in the lives of people in our community. Would you like to help us sustain His Hands for the next 25-years and beyond? Consider making a gift to our endowment fund.
