Our Mission

To bring glory to God
by meeting the physical,
emotional, and spiritual
needs of those without
adequate resources.

GOD IS OUR REFUGE

Dear Friends,

Psalms 46:1 tells us:

“God is our refuge and strength, a very present help in trouble.”

For many, this year has been one of trouble, loss, grief, and pain.

During these last two and a half years of the pandemic, His Hands has served as a refuge in turbulent times to those needing healing and hope. We have seen our neighbors come to us anxious, weary, worn down and wanting to end their lives only to realize they are loved and cared for. They have fought through the darkness to live another day.

We have seen trauma and violence in the faces of the immigrants who have come to our country seeking a chance to not only live, but thrive. We have seen the faces of women who have been told they are worthless and silenced through abuse, only to see them rise up and start a new life without looking back.

As COVID-19 continues, so have we. God has used our staff to provide care with dignity and respect. We have seen the gift of refuge, so freely given, not

only in our building but also in the volunteers who extend grace to our patients through compassion, kindness, and prayer. We have seen the strength of our staff as they shoulder heavy burdens.

Through 2021, we have learned that refuge takes many forms and that Christ is our only hope. We have seen the difference help makes through the dedication of our donors, churches, volunteers, and our partnerships with local businesses.

We thank you for blessing the patients that come to His Hands. Together, our refuge will continue to be one of love and hope.

In Christ,

Dawn Brouwers, LMSW
Executive Director

**God is Our
Refuge and
Strength, a
Very Present
Help in
Trouble.**

Psalms 46:1

HIS HANDS PROVIDES A HOLISTIC APPROACH

In 2021, Mental Health was the Number Two Reason for Being Seen at the Clinic.

Imagine what it would be like to suffer from anxiety and depression for 20 years but never feel safe or comfortable reaching out for help. Imagine how that would affect every aspect of your life, from relationships, to jobs, to health, to self worth.

Meet Penny. Penny called the clinic needing to be seen for an infection. We were full for the day but our staff worked her in because infections can be life threatening.

Penny was amazed by the warm, compassionate care she received. She shared that she felt respected and heard at the clinic. She was happily surprised at how beautiful, calming, and welcoming the clinic was as she had expected a free clinic to be poorly managed, hectic, and run down. Penny was treated with a holistic approach at His Hands. She felt safe enough for the first time in 20 years to share her

mental health struggles. Because of her bravery and honesty, we were able to set a long-term plan for her that included medication, counseling, and signing up for insurance - something Penny had never attempted to do because she found it so overwhelming.

Penny is not alone. His Hands has seen an increase in patients experiencing mental health issues during the pandemic. In 2021, mental health was the number two reason for being seen at the clinic. We know the last three years have been difficult for our community, but we also know His Hands will continue to stand as a refuge in turbulent times for Penny and all those in need of hope.

For the first time in her life, Penny feels like she is in control of her mental health.

HIS HANDS EVENT UPDATE

Safeguarding our community in the time of COVID-19 is important to His Hands Free Clinic. After lengthy conversations with medical professionals, we have decided to cancel Praise on the River for 2022. A decision on Laughter is the Best Medicine will be made shortly. Updates to this decision will be placed on our website: HisHandsClinic.org.

Your prayers of support, gifts of time and financial investment in His Hands remains vital to our success in serving our community.
