

His Hands Free Clinic 2022 Impact Report

GreatNeed. GreatCare.

The Campaign to Grow His Hands Free Clinic

GreatResponse.

Thank You

2022 was a year of milestones for His Hands. In May, we celebrated our 30th anniversary with a ribbon cutting and burying of a time capsule. Second, we completed our Great Need, Great Care Capital Campaign.

Thank you so much for helping us surpass our \$1.5 million goal so our focus can be entirely on helping those in need! Having the building and the cost of renovations completely paid for is a dream come true.

Your involvement transforms lives through the hope and love of Jesus Christ. Thank you for helping restore the body and refresh the spirit of those in need.

Dawn Brouwers
Executive Director

GreatNeed.

THE TIME HAD COME

As the need for our services had grown over the years, space limitations, age, and the cost of upkeep of our 12th St. location had become increasingly problematic and expensive.

The problems included:

- Insufficient medical exam rooms
- Doubled-up office spaces
- Limited street parking
- Shared physical therapy and chiropractic room, limiting appointments for each

Most importantly, there was insufficient space to provide the needed care to a growing number of patients.

We had a Great Need.

OPPORTUNITY KNOCKED

...and a low interest loan allowed us to walk through the door...immediately!

The former Wolfe Eye Clinic building had been sitting empty for three years. Located only a few blocks from our previous location it was equipped to serve as a medical facility and priced to sell. To continue to fulfill our mission, we eagerly accepted a generous offer from a donor for a low-interest loan of \$1 million to purchase the building. To repay the loan we initiated the Great Need. Great Care. Capital Campaign. Thanks to many generous donors, we not only met our \$1.5 million goal, we surpassed it.

The facility offered twice the square footage and a 50-space parking lot.

While some renovation and refitting was required, it was the ideal solution to meet our growing needs.

ROOM TO GROW

To accommodate current and future growth, and improve patient privacy and social distancing standards, the clinic's new location offers the following amenities:

- 6 Exam Rooms
- 3 Dental Chairs
- Separate Physical Therapy & Chiropractic Rooms
- Office Space for Staff
- Private Rooms for Consultations & Meetings
- Parking lot with 50 spaces
- Improved Security

GreatCare.

SHOULDER-TO-SHOULDER

The undertaking was huge, so many great people, came along side of us to transform the vacant facility into our new home. A very special thank you goes out to everyone involved in our project.

**Whether they were paid or volunteers,
we received their very best work.**

We received Great Care.

THE CREW:

- Architect – Todd Dodd,
Aspect Architecture
- General Contractor – Scott Olson,
SEO2 Construction
- HVAC – Colony Heating
& Cooling
- Plumbing – Valenta
- Electrical – Justice Electric
Streff Electric

GreatResponse.

We've been blessed to have exceeded our capital campaign goal by raising \$1.84 million through donations, grants, pledges, and the sale of our old building. This page features the names of individuals and organizations that made our three-year quest a reality; to be debt-free so future gifts can go to patient care rather than to pay off a mortgage.

It truly was a Great Response.

With the funds raised we have been able to do the following:

- Completely pay off the cost of the new building, including renovations, furnishings and equipment
- Contribute more than \$330,000 to our endowment
- Have \$351,000 in reserves to increase our capacity to serve more patients by having a doctor on staff
- Cover the costs of the entire capital campaign

Thank You

"I've always got back pain. I told somebody, 'I'm sick, but I don't have insurance.' They said, 'Do you know about His Hands Free Clinic?' When I made an appointment and saw a doctor, she prescribed the medication, and sent me to Mercy Hospital to get some tests for my back. For now, I can lay down anywhere and get up easily. I don't have any more back problems."

Ebel Alexis
Patient

"The volunteers who provide service treat us patients so kindly even in our situations. We are blessed that there are services that will join us in prayer for our health and against our fears."

Cindy – Patient

"They helped me with my epilepsy. They diagnosed me with asthma. I had a little cyst on my head, and no questions asked, they removed it. They helped me out tremendously by getting insurance last year."

Marcie – Former Patient

GreatNeed.

His Hands Free Clinic has served the uninsured and underinsured residents of Cedar Rapids for over 30 years. Our focus is providing free healthcare to residents of Cedar Rapids and surrounding communities who can't afford insurance, high-deductible plans, or co-pays.

Typically, uninsured/underinsured people face financial and health crises. The strain caused by a lack of financial resources exacerbates one's physical, psychological, and interpersonal challenges. Beyond that, we also minister to the emotional and spiritual well-being of a widely diverse community.

The Need is Great and Growing.

GreatCare.

"...whatever you did for one of the least of these brothers and sisters of Mine, you did for Me." – Matthew 25:40b (NIV)

OurMission

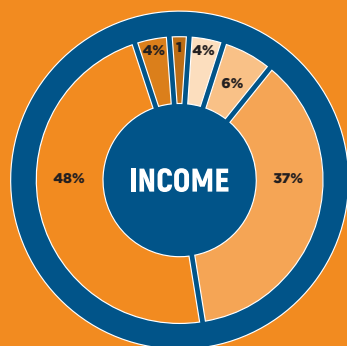

**To bring glory to God
by meeting the physical,
emotional, and spiritual needs
of those without
adequate resources.**

In practice, this means we serve a widely diverse population with love, respect for all, and integrity in our actions and words.

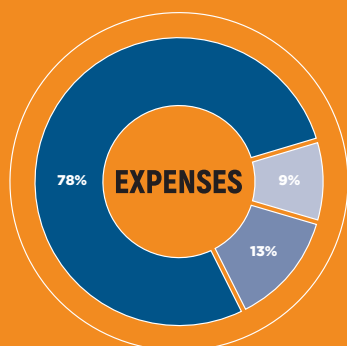

The result is a holistic approach to care for our patients, regardless of their religious beliefs, at no cost to them.

**The Care is Great
and with your continued support
we will continue to make it available to
those in our community
that need it.**

In 2022,
People from 52
Different Countries,
Speaking 25
Different Languages,
From 18
Different Counties
in Iowa
Were Served
by His Hands
Free Clinic.
